

**Future Hospital**

**Hospital Neighbourhood News**

**October 2018**

## **Next neighbourhood meeting**

You're invited to the next neighbourhood forum to find out about planned work in your local area and talk to the project team.

**Wednesday, 24 October 2018  
6 pm to 8 pm at St Helier Town Hall**

Can't make it?

All information presented at the event will be available online at [www.futurehospital.je/neighbours](http://www.futurehospital.je/neighbours). Issues raised at our forums include the project timescale, traffic, and the impact on neighbours

### Current situation

In 2016 Jersey's States approved the site and funding for a new hospital on the current site, Kensington Place and Westaway Court.

The project team is waiting for a decision on the planning application, and a report from the Hospital Policy Development Board - expected by mid-November. In the meantime, some work to prepare the site has started so that demolition and construction can start as soon as possible if the planning application gets the go ahead.

### Drop-in for business owners

If you own or run a business near the planned new hospital you're invited to attend a drop-in on **Wednesday 24 October at 3pm at Kensington Chambers** at 46-50 Kensington Street. This is an informal chance to chat to and question members of the hospital project team.
